

SMOKING PROHIBITED

Please know per our bylaws, you **cannot smoke** anywhere on limited common or common property of Oakridge V (anywhere on property including laundry & storage rooms). If smoking is seen, please report it to the Board immediately so the appropriate action can be taken.

Please know you **can** smoke in your unit but must **close windows, including patio** when doing so to avoid your neighbors being impacted.

If you wish to relax and enjoy a smoke outdoors, please do so at bus benches out at the street.

Thank you.
